Dear Mr. Kaiser:

Re: Request For Information - Kummer Sanitary Landfill

The Minnesota Pollution Control Agency (MPCA) staff has received your response dated June 29, 1984 to the Request For Information regarding Magnetic Peripherals, Inc. and the Kummer Sanitary Landfill.

Your letter indicated that the company's industrial waste is collected by the city of Bemidji. Since the city transports all of the waste collected in the city limits to the Kummer Sanitary Landfill, the MPCA staff requests that the company respond to item number 2 contained in the May 31, 1984 Request For Information.

Please provide this additional information within ten (10) days of your receipt of this letter. If you have any questions, please me at (612)296-7337. Your continued cooperation is appreciated.

Sincerely,
